Writing
The best thing about Memories ...is making them Memories! I would like you to think of some memories of your time at St Matthias. Write paragraphs for each class/teacher you've spent time with and friends you have made along the way. Focus on the positive memories and the good times you've had, there have been lots! Keep a diary! Record what you get up to. Add as much detail as you can. You should use informal language. Practise your spelling using Spelling Frame online for 20 minutes each day. https://spellingframe.co.uk/
